RE: MUR#7282  
Andrew Learned For Congress

To Whom It May Concern,

We are responding to the above mention complaint and will address issues in the numerical order in which they were listed:

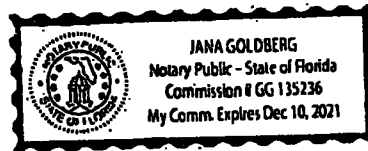

1. The Andrew Learned for Congress Committee made a clerical error on the address when it filed FEC Form 1, FEC Form 2, FEC Form 3 for the 2nd quarter 2017 and the 3rd quarter 2017. All of these reports have been amended with the correct mailing addresses.
2. The information given on the above mentioned forms were clerical errors and not an attempt to make materially false, fictitious or fraudulent statements.
3. All of the above mentioned forms have been corrected and filed with the FEC to reflect the Committee's mailing address and the Candidate's legal residential address.
4. It was never the intention of the candidate to deceive either the State of Florida's Division of Elections or the voters of Florida's District 15. It was simple, clerical error.

Mr. Andrew and his volunteer staff are, as always, committed to following all of the procedures revolving around campaigning and reporting.

Sincerely,

Andrew Learned
